I think that both the Calendar & the engagement ~~book~~ ^ cover are useful for official purposes to some extent. The cost of the Calendar may perhaps be cut down by omitting the 'art' portion & printing it in a more simple manner.

47] The engagement may be made cheaper by including 2 or 3 days on a page, as very ~~few~~ ^ few officers are ~~not~~ likely to have engagements requiring a whole page for their record.

48] The distribution list may also be curtailed & if other officers want them spare copies may be made available for sale.

C.S.Z. 11/4

P.S. Another course would be to stop ~~the~~ ^ publication by Govt & let private presses take up the business. I know that the Bangalore Press is publishing an engagement tablet like the small Govt tablet & a very convenient edition of the Indian Calendars, both at a small price. I am sure the Press will issue the Calendar also in a suitable form, in a more convenient size than ~~at~~ ^ present wall Calendar.

SIR,

I have the honour to request that sanction may kindly be accorded for printing 250 copies of the Government Art Calendar for 1928 and future years and to supply them to all officers drawing Rs. 500 and above including retired officers.

I find it extremely difficult to manage with the present supply of 142 copies. Many a time I am placed in very delicate situations in complying with the demands from people to whom it would be tactless, discourteous and want of good sense to turn the cold shoulder and say 'NO' even though I am backed up with Government orders to give that straight answer.

The cost for 108 more copies will not after all be much and I solicit that my request may be favourably considered and sanction accorded to print 250 copies in future and supplied as recommended by me.

I have the honour to be,
Sir,
Your most obedient servant,

Mr. B. PUTTAIYA, B.A.,
SUPERINTENDENT.

6/2/28

PDS 30-27-5

Dear Mr Seshadri,

Your D.O. no: G8834/PDS
re art Calendars & Tablets

Govt have sanctioned the printing of 250 art Calendars in their order no: G6324-5/PDS 30-27-2 dated 7th Dec 1927. Accordingly 250 Calendars have been printed and distributed as per list already submitted to your office with this office letter no: 2386 dated 28th January 1928

As regards Engagement Tablets, the smaller size one is being printed from the blocks of my predecessor while the

bigger one — one day to a page — is being printed for the past three years. The Government order is not readily traceable as regards the smaller tablet. The bigger tablet was introduced on the model of the Bangalore Press diary as a general desire was expressed, especially by the officers of the Judicial department, to have a large size diary to note down their numerous engagements. No Government sanction seems to have been taken for this.

One hundred and fifty of the copies of the smaller tablet and 150 of the larger size tablet have been printed for this year. The list is being fair copied and will be submitted soon.

Yours sincerely

S i r,

With reference to the correspondence ending with your letter No. 2471, dated the 6th February 1928, about the printing of Art Calendars and Engagement Tablets, I am directed to observe that while you have quoted a Government Order for the Art Calendars, you have not quoted any authority for the printing of the Engagement Tablets. I am to request you to be so good as to quote the orders of Government, if any, authorising the printing of the Engagement Tablets.

2. As regards the distribution of Art Calendars you say in your letter No. 1265, dated the 28th/29th October 1927, that you find it extremely difficult to manage with 142 copies, that it would be tactless, discourteous and want of good sense to turn the cold shoulder and say "No" etc. I am to observe that such considerations should have no place in determining the distribution of these calendars.

3. I am to add that a list of persons to whom the Art Calendars were actually -

sent this year may kindly be forwarded.

I have etc.,

To

General Secretary to the Government of Mysore,
BANGALORE.

SIR,

1) With reference to your letter No: G. 10898, dated 24th instant, regarding the printing of Art Calendars and Engagement Tablets, I have the honour to state that, as I have already intimated in my D. O. dated 4th February 1928, the Engagement Tablets are being printed from the time of my predecessor and I am only continuing the established practice without my taking any initiative in the matter myself. Only, I have improved the get-up of the tablet by introducing a page to a day and by printing the holidays in colours and the title in gold.

2) As regards Art Calendars, the number printed has always been in accordance with the orders of Government from time to time, and the printing of the 250 calendars has been sanctioned in G.O. No: G. 6324-5/P.&.S. 30-27-2, dated 7th December 1928.

3) The latest distribution list of the art calendars has been submitted to Government with my letter No: 2386, dated 28th January 1928, and that of the Engagement Tablets with my D. O. dated 6th February 1928. (Vide also my letter No: 2471, dated, 6-2-28). The distribution of Engagement Tablets follows mainly the distribution of art calendars, except in certain cases, where Assistant Secretaries to Government, ministerial officers, such as, Superintendents of Secretariat branches and Head Quarter Assistants of Heads of Departments, a few retired officers and non-official

for
gentlemen who asked them have been supplied.

There has been hitherto some discretion used by the Superintendent in the distribution of the Art calendars and Tablets although lists of distribution have been submitted to Government for record from time to time. I beg that, in future, I may be furnished with a list of distribution beforehand, duly approved by Government with instructions to rigidly adhere to that list. It will obviate all delicate considerations referred to in my letter No: 1265, dated 28/29th October 1927, and my hands will be strengthened.

am printing now the following calendars and Tablets:-

Silk Calendars ... (These are being done since Mr Yates' time)	19.	13 were supplied to the Palace and one each to H.H. the Yuvaraja, the Dewan, the Hon'ble the British Resident and the three members of Council.
Art Calendars ...	250	Distribution list already submitted
Engagement Tablets (a page to a day) ..	250	
Engagement Tablets (a page to a week) .	150	
Special - do - bigger size. (These were printed on special requisition from the Dewan's office)	23	20 were supplied to the Dewan's office and one to each of the three Councillors.

3) I respectfully beg that definite orders may be kindly issued as to how many of each kind may be printed in future and how may each kind be distributed.

4) In conclusion, I may be permitted to state that I have represented the above facts to the Dewan Saheb this morning.

I have the honour to be,
Sir,
Your most obedient servant,

Superintendent.
